Sir:

**REPLY TO DECISION DISMISSING REQUEST FOR RECALCULATION OF PATENT
TERM ADJUSTMENT AND REQUEST FOR RECONSIDERATION**

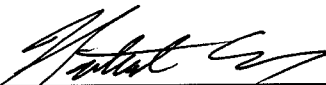

This is a reply to the “Decision of Request for Recalculation of Patent Term Adjustment in View of Wyeth” issued on May 20, 2010. Patentee believes that the Decision is improper and requests reconsideration of the Application for Patent Term Adjustment-Post Grant filed May 14, 2010. The post-grant application for patent term adjustment was not a request for recalculation in view of the *Wyeth* decision, but a request to correct a post-grant calculation error granting an extra 9 days of patent term. A more detailed description of the error appears in the Application filed May 14, 2010, which is incorporated herein by reference.

Patentee believes that no fee is due in connection with the filing of this request.
If there are any fees due in connection with the filing of this request, please charge
them to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
